ABOUT THE WORKSHOP

The **14th International Workshop on HIV & Women** will take place from **12-13 April 2024 in Washington DC, United States.**

The hybrid format allows you to join either in-person or virtually!

It is an outstanding opportunity for health care providers, researchers, government, industry, and community representatives to discuss, debate, and further their knowledge on the issues related to HIV and women.

Participants describe the workshop as:

"Informative and eye opening as to how behavioral health professionals can better integrate with medical health professionals"

"Highly educative and keeps you updated with current breakthroughs in HIV and women"
